

ANA & ERIC'S WEDDING July 9, 2022- VALENCIA

In order to help you find accommodation for our wedding we have contacted various hotels which offer a discount to our guests. To get this discount you will have to use a discount code.

We have selected two areas of Valencia: 1) **city centre** 2) the **Palacio de Congresos** neighbourhood. Zone 1 is the best if you plan to do some tourism. Zone 2 is located in the north of the city which is the closest area to the place where the wedding will take place and is reasonably priced (from EUR 85). You can alternatively book an Airbnb in Valencia (there are some great options!).

In each area a bus will be available to take you to the **Real Monasterio de Santa María de El Puig** where the wedding will take place and later to the **Cartuja de Ara Christi** for the reception and party. The bus will also be available to come back.
